Explanation of Responses:

1. The reporting person holds units in the issuer's unitized stock fund in the Sterling Bank & Trust 401(k) Plan (the "Plan"), consisting primarily of the issuer's Common Stock and the remainder in cash or cash equivalents. The number of shares in this row is an estimate of the number of shares of the issuer's Common Stock held in the unitized stock fund and attributed to the reporting person as a Plan participant.

2. This has been calculated based on the \$5.56 closing price of the issuer's Common Stock as of April 9, 2023, which was the date prior to the date that the shares of Common Stock were contributed to the unitized stock fund, and may change from time to time without the volition of the reporting person depending on the fair market value of the issuer's Common stock and the amount of cash in the unitized stock fund. The shares of Common Stock were contributed to the unitized stock fund and allocated to participants on April 10, 2023.

/s/ Elizabeth M. Keogh
